NOTES TO FINANCIAL STATEMENTS

AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

1. Organization

The Southampton Animal Shelter Foundation Inc., ("SASF," the "Foundation") is a not-for-profit 501(c)(3) corporation whose primary purpose is to provide for the welfare of animals and reduce the number of homeless pets in New York. The Foundation conducts fundraising events to raise funds for this purpose. The Foundation was formed in October 2009 to take over operations of the Southampton Animal Shelter, formerly run by the Town of Southampton (the "Town").

2. Summary of Significant Accounting Policies

COVID-19 Pandemic

On January 30, 2020, the World Health Organization declared the coronavirus outbreak a "Public Health Emergency of International Concern" and on March 11, 2020, declared it to be a pandemic. Actions taken around the world to help mitigate the spread of the coronavirus include restrictions on travel, and quarantines in certain areas, and forced closures for certain types of public places and businesses. The coronavirus and actions taken to mitigate it have had and are expected to continue to have an adverse impact on the economies and financial markets of many countries, including the geographical area in which the Foundation operates.

Basis of Accounting

The accompanying financial statements of the Foundation are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Cash, Cash Equivalents and Restricted Cash

The Foundation considers all highly liquid investments purchased with an original maturity of three months or less to be cash equivalents. At times, cash balances may be in excess of the Federal Deposit Insurance Corporation ("FDIC") insurance limit. Cash and highly liquid financial instruments restricted to building projects, endowments that are perpetual in nature, or other long-term purposes are excluded from this definition.

The following table provides a reconciliation of cash, cash equivalents and restricted cash reported within the statements of financial position to the sum of the corresponding amounts within the statements of cash flows:

	<u> 2021 </u>	2020
Cash and cash equivalents	\$ 6,770,330	\$ 6,578,754
Cash restricted to various programs	<u> 120,795</u>	278,679
Total	<u>\$ 6,891,125</u>	\$ 6,857,433

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

2. Summary of Significant Accounting Policies (Continued)

Contributions Receivable

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. Conditional promises to give are not included as support until the conditions are substantially met.

Allowance for Doubtful Accounts

The Foundation's contributions and grants receivable are presented on the statements of financial position net of the allowance for doubtful accounts, if required. The allowance is determined by a variety of factors, including the age of the receivables, current economic conditions, historical losses and other information management obtains regarding the financial condition of donors. The policy for determining the past due status of receivables is based on how recently payments have been received. Receivables are charged off when they are deemed uncollectible, which may arise when donors file for bankruptcy or are otherwise deemed unable to repay the amounts owed to the Foundation. There was no allowance as of December 31, 2021 and 2020, respectively.

Investments

The Foundation records investment purchases at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the statements of financial position. Net investment income (loss) is reported in the statements of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less external and direct internal investment expenses.

Property and Equipment

Property and equipment are carried at cost, net of accumulated depreciation. Depreciation is recorded using the straight-line method based on the useful lives of the assets, which range from 5 to 27.5 years. Leasehold improvements are being amortized over the remaining life of the lease.

Net Assets

Net assets, revenues, gains and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets without donor restrictions are available for use at the discretion of the Board of Directors (the "Board") and/or management for general operating purposes. From time to time the Board designates a portion of these net assets for specific purposes which makes them unavailable for use at management's discretion. The Foundation's net assets without donor restrictions are composed of undesignated amounts.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

2. Summary of Significant Accounting Policies (Continued)

Net Assets (Continued)

Net Assets With Donor Restrictions - Net assets with donor restrictions consist of assets whose use is limited by donor-imposed, time and/or purpose restrictions. The Foundation reports gifts of cash and other assets as revenue with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, the net assets are reclassified as net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. See Notes 7 and 8 for more information on the composition of net assets with donor restrictions and the release of restrictions, respectively.

Revenue Recognition

During 2020, the Foundation adopted Accounting Standards Update ("ASU") 2014-09, Revenue from Contracts with Customers (Topic 606), as amended. The ASU provides a framework for recognizing revenue and is intended to improve comparability of revenue recognition practices across for-profit and non-profit entities. Analysis of the various provisions of this standard results in no significant changes in the Foundation's recognized revenue; however, the presentation and disclosures of revenue have been enhanced. The Foundation has elected to opt out of all (or certain) disclosures not required for nonpublic entities and also elected a modified or retrospective approach for implementation.

The Foundation recognizes contributions when cash, securities or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give – that is, those with a measurable performance or other barrier and a right of return – are not recognized until the conditions on which they depend have been met. The Foundation recognizes fundraising revenue when the related events are held, and performance obligations are met. Funds received but not yet earned are shown as deferred revenue and totaled \$21,510 at December 31, 2020, and relate to amounts received for the 2021 Unconditional Love event. There were no funds received in advanced at December 31, 2021. Contributions and grants are considered to be without donor restrictions unless specifically restricted by the donor. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions. Special event income is recognized when, or as, performance obligations are satisfied by transferring control of a promised product or service to a donor. Shelter operations revenue is recognized in the period services are provided.

Volunteers and Donated Services

Volunteers contribute significant amounts of time to the Foundation's program services, administration, and fundraising and development activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. Contributed goods are recorded at fair value at the date of donation.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

2. Summary of Significant Accounting Policies (Continued)

Advertising Costs

Advertising and promotional costs are expensed as incurred and totaled \$64,499 and \$14,623 for the years ended December 31, 2021 and 2020, respectively.

Functional Allocation of Expenses

The costs of the Foundation's programs and supportive services have been reported on a functional basis in the statements of functional expenses. The Foundation's primary program activity is shelter services. Expenses are charged to each program based on direct expenses incurred. Facility operations such as cleaning and maintenance, occupancy, utilities and storage, and depreciation are allocated among functional classifications based on usage of space and building costs. Any program expense not directly chargeable to a program is allocated to the appropriate functional category.

Income Taxes

The Foundation qualifies as a tax-exempt not-for-profit organization under Section 501(c)(3) of the Internal Revenue Code ("IRC") and as a not-for-profit corporation under the laws of New York State. Accordingly, no provision for federal or state income taxes is required. The Internal Revenue Service has determined that the Foundation is a qualified charitable organization to which contributions are eligible for deduction by individual donors as described under Section 170 of the IRC. The Foundation applies the provision pertaining to uncertain tax positions (Accounting Standards Codification ("ASC") Topic 740) and has determined that there are no material uncertain tax positions that require recognition or disclosure in the financial statements. The income tax returns of the Foundation for tax years subsequent to 2018 are open and subject to examination by the taxing authorities.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Recent Accounting Pronouncements

In February 2016, the Financial Accounting Standards Board ("FASB") issued ASU 2016-02, Leases (Topic 842), which will require entities to recognize lease assets and lease liabilities (related to leases previously classified as operating under previous U.S. GAAP) on the statements of financial position. This ASU is required to be adopted on a modified retrospective basis. The ASU is effective for fiscal years beginning after December 15, 2021. The Foundation's management is in the process of assessing the impact of this ASU on the financial statements.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

2. Summary of Significant Accounting Policies (Continued)

Recent Accounting Pronouncements (Continued)

In September 2020, the FASB issued ASU 2020-07, *Not-for-Profit Entities (Topic 958):* Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets, which requires a not-for-profit entity to present contributed nonfinancial assets in the statement of activities as a line item that is separate from contributions of cash or other financial assets. ASU 2020-07 also requires additional qualitative disclosures about contributed nonfinancial assets received, disaggregated by category. The amendments in this ASU will be applied on a retrospective basis and are effective for annual reporting periods beginning after June 15, 2021. The Foundation's management is in the process of assessing the impact of this ASU on the financial statements.

3. Liquidity and Availability of Resources

The Foundation's financial assets available within one year of the statements of financial position date for general expenditures are as follows:

	2021
Cash and cash equivalents Other receivables	\$ 6,891,125 <u>22,372</u>
Total financial assets available within one year	6,913,497
Less: Amounts unavailable for general expenditures within one year, due to: Restricted by donors with purpose restrictions	4,951,657
Total financial assets available to management for general expenditure within one year	\$ 1,961,84 <u>0</u>

Liquidity Management

SASF maintains a policy of structuring its financial assets to be available as general expenditures, liabilities, and other obligations come due.

4. <u>Investments and Fair Value Measurements</u>

The FASB defines the fair value of financial instruments as the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements do not include transaction costs.

The accounting guidance also expands the disclosure requirements around fair value and establishes a fair value hierarchy for valuation inputs. The hierarchy prioritizes the inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Each fair value measurement is reported in one of the three levels, which is determined by the lowest level input that is significant to the fair value measurement in its entirety. Valuation techniques used to maximize the use of observable inputs and minimize the use of unobservable inputs. These levels are described below:

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

4. Investments and Fair Value Measurements (Continued)

As of December 31, 2021:

- Level 1 Inputs that are based upon unadjusted quoted prices for identical instruments traded in active markets.
- Level 2 Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.
- Level 3 Prices or valuation that require inputs that are both significant to the fair value measurement and unobservable.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Investments: Equity securities and mutual funds are classified as Level 1 instruments as they are actively traded on public exchanges.

Total

Level 1

The following tables set forth by level within the fair value hierarchy the Foundation's financial assets that were accounted for at fair value on a recurring basis at December 31, 2021 and 2020 according to the valuation techniques the Foundation used to determine their fair values:

Investments consisting of equity securities and mutual funds	\$ 2,620,131	\$ 2,620,131
As of December 31, 2020: Investments consisting of equity securities and mutual funds	\$ Total 3,069,763	<u>Level 1</u> \$ 3,069,763
Investments consist of the following:		
As of December 31, 2021: Equity securities Mutual funds	- \$ - <u>\$</u>	Fair Value 20,566 2,599,565 2,620,131
As of December 31, 2020: Equity securities Mutual funds	- \$ - <u>\$</u>	Fair Value 1,859,309 1,210,454 3,069,763

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

5. Other Receivables

Other receivables of \$22,372 and \$18,855 at December 31, 2021 and 2020, respectively, consist primarily of amounts due the Foundation for its mobile clinic operations totaling \$10,115 and \$18,855, respectively.

6. Property and Equipment, Net

Property and equipment, net consisted of the following at December 31, 2021 and 2020:

Total net assets with donor restrictions	\$ 4,951,657	\$ 5,109,541

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

8. Net Assets with Donor Restrictions (Continued)

Donor restrictions have been designated for the following purposes:

<u>Capital Expenditures and Improvements</u> - For the construction of a new facility and/or the expansion of present facilities.

<u>For the Benefit of Dogs</u> - Earmarked to provide care, housing, training, enrichment and medical support to the canine population at the shelter.

<u>Veteran Program</u> - To prepare dogs for acceptance into programs for further training to become service dogs for veterans.

<u>Humane Education Program</u> - To develop teaching materials and present programs in local elementary schools.

<u>Enclosed Dog Run</u> – A covered area to protect dogs from the weather during exercise and play.

<u>Pet Food Pantry</u> – To help local pet owners subsidize their food costs with pet food contributions from the shelter.

Meet & Greet Room – To honor the memory of Mark Humphrey.

<u>Cat Cam</u> – Live streaming of cat rooms to increase visibility and opportunities for adoption.

<u>Education for Jewel</u> – Special training and handling for a deaf canine.

9. Net Assets Released from Donor Restrictions

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purposes or by occurrence of the passage of time or other events specified by donors. The net assets released from restrictions are as follows:

	 2021	 2020
For the Benefit of Dogs	\$ 159,443	\$ 379,636
Animal Rescue	129,330	-
Pet Food Pantry	15,973	-
Humane Education Program	5,768	3,850
Cat Cam	5,000	· -
Education for Jewel	690	-
Capital expenditures and improvements	 -	 116,871
Total net assets released from donor restrictions	\$ 316,204	\$ 500,357

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

10. Contributed Goods and Services

In 2021 and 2020, the Foundation received contributed goods and services related to auction packages offered in connection with fundraising events. Such contributed goods and services were included in revenue for the years ended December 31, 2021 and 2020 based on the amounts received from the proceeds of the auctions.

11. Retirement Plan

The Foundation has a 401(k) profit sharing plan effective January 1, 2011. All employees that have met the age and service requirements are deemed to be participants. Eligible employees may elect to defer a portion of their annual compensation limited to statutory requirements determined by law. The Foundation did not make any discretionary contributions for 2021 or 2020.

12. Economic Dependence and Contributions

Since its inception, the Foundation has relied on, and has been economically dependent on several major related donors for a significant portion of its cash flow requirements. The Chairwoman and an entity affiliated with the Chairwoman donated \$152,150 and \$1,108,315 to the Foundation during 2021 and 2020, respectively.

13. Commitments and Contingencies

Occasionally, claims arising in the ordinary course of operations have been instituted against the Foundation. While the ultimate effects of such claims cannot be determined at the present time, it is the opinion of the Foundation's management, that any liabilities in excess of insurance coverage resulting from these actions would not have a material effect on the Foundation's financial position, results of operations or cash flows.

14. Agreement Between the Foundation and the Town of Southampton

The Foundation's agreement with the Town of Southampton (the "Town") for the operation of the animal shelter is in effect through December 31, 2027. Under the terms of the new agreement, the Town has agreed to make an annual contribution of \$430,000 to cover shelter services. The Foundation is not required to pay rent to the Town during the term of the agreement, and the Foundation has not determined or recorded the fair value of the rent. Under the new agreement, the Town is responsible for only necessary structural repairs in the event of a natural disaster response, or structural failure with anticipated cost exceeding \$100,000. Additionally, the Foundation is responsible for utility costs and maintaining a capital reserve fund.

Under the former agreement which expired December 31, 2021, the Town was responsible for maintaining various service contracts for the facility and the Town paid for electric and gas service as needed during the term of the former agreement. For the years ended December 31, 2021 and 2020, the Town paid \$78,165 and \$70,924, respectively, for such electric and gas service. During 2021 and 2020, the Town contributed \$250,000 to assist the Foundation in discharging its responsibilities. The Foundation has recorded all such contributions by the Town as contribution revenue in the accompanying financial statements. The Foundation is required to maintain a deposit of \$25,000 with the Town.

AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

15. Subsequent Events

The Foundation has evaluated subsequent events for recognition or disclosure through the date these financial statements were available to be issued, November 15, 2022. During this period, increasing costs and inflation along with tight labor markets have impacted the Foundation's expenses in 2022. In addition, significant market volatility and downturn in the first nine months of 2022 have impacted the value of the Foundation's invested assets. SASF has taken steps to diversify its portfolio however, continued negative impacts could adversely affect its ability to carry out the Foundation's mission. The Foundation will continue to closely monitor these events and take mitigating actions as appropriate.
