SOUTHAMPTON **animal shelter** FOUNDATION

Our story

The Southampton Animal Shelter Foundation (SASF) is an open admission, no-kill shelter that was formed 16 years ago when the Southampton town eliminated their shelter. As a non-profit, we rely on the generosity of our donors and volunteers to care for the homeless animals in our community of 26 hamlets and villages and place them in loving forever homes. We provide a stepping stone for all our animals by providing them with housing, food, medical treatment, training, and rehabilitation until our adoption team finds them their perfect match.

We have proven ourselves to be a leading animal shelter and take pride in finding excellent homes for hundreds of animals each year. Since 2010, SASF's adoption rate has increased significantly due to the many services we provide, such as a low-cost veterinary clinic that handles all incoming medical evaluations, public spay and neuter services, micro-chipping, and inoculations. Our training and behavioral program socializes, integrates, and enriches the lives of our shelter dogs, and it has proven to increase the rate of their adoptability. Through our unwavering commitment and comprehensive services, we at SASF strive to ensure that every animal in our care finds a loving home, embodying our belief that it's never too late for a second chance.

Our Purpose

Supporting the gala directly supports the shelter in saving hundreds of lives every year through rescue, medical services, training, adoption and foster programs. Over 325 seats are filled at the gala every year to help continue our mission.

The Reason

Our annual gala generates a significant percentage of our operating budget. We would not be able to continue saving lives without the generosity of our donors, sponsors and underwriters who help us with this crucial event.

Will you join the shelter this year in saving lives?

Corporate sponsorships and personal donations help offset the costs in order to ensure the majority of funds go directly to the pets in our care.
